# 60 Questions to **Ask** **Your OC**

Interview your original character. Answer in their voice, not yours, and you will find out who they really are.

# Interview your OC

Answer as your OC, in first person, in the way they would actually talk. If an answer surprises you, that is the good stuff: write it down.

**Tip:** you do not need all sixty. Pick five from different sections for a quick check, or do one a day for two months.

## Surface

**1. What do people notice first when your OC walks into a room?**

---
