OC **Reference** Sheet

A turnaround and details template so anyone can draw your OC the same way twice. Front, side, back, face, palette and the bits people always get wrong.

Turnaround

Keep all three views at the same height. Light guide lines across the top of the head, shoulders, waist and feet help.

FRONT	SIDE	BACK
		

Name _____
Height _____
Artist _____

PALETTE

Details and expressions

NEUTRAL	HAPPY	ANGRY
SAD	SCARED	SMUG
SIGNATURE ITEM / WEAPON / ACCESSORY		CLOSE-UP: EYES, MARKS, LOGO OR PATTERN

DO NOT FORGET

The details people get wrong: which side the scar is on, eye colour, how many stripes.

Free for personal use. Print it, fill it in, share photos of your OC anywhere. Please do not resell or re-upload the blank sheet itself. Made by OCpit, ocpit.fun.
